

Sample Written Notice for HB 1248:

"I believe the association's swimming pool should be painted hot pink. Please respond by noon on July 28, 2009, whether you agree with painting the pool hot pink. Failure by a director to respond in writing by noon on July 28, 2009, will have the same effect as that director abstaining in writing or failing to demand in writing that the action be taken at a meeting."
